
MADFINGER GAMES PRESENTS:

Eagerly Anticipated SHADOWGUN Datadisc Is Here!

SHADOWGUN, Number One Game in 25 countries, featured in “App Store Rewind 2011”, “Benchmark Games“ and “Gorgeous Games” by Apple gets huge datadisc! Expansions brings new missions and challenges, even more dangerous enemies and even more adventures. And what's the best? **It is free for all original SHADOWGUN's owners.**

Going back into the skin of John Slade, the most feared intergalactic bounty hunter. There's a new threat. Enemies are back and John Slade must take an another dangerous mission. What's new?

FOUR NEW LEVELS

The story expansions is directly connected to the events of original SHADOWGUN. But now, you can look forward to **four new levels!** Again, you will fight face to face with cyborgs and droids, blast genetically-enhanced humanoids and fire aerial drones and other lethal foes into the air.

NEW ENEMY, NEW WEAPON AND EVEN MUCH MORE

Besides the already known enemies, there is **new enemy creature** that is ready to take you down. While you will face the new madness of Dr. Simon, **new weapon** will be ready to help.

You can enjoy new graphics, animations and cutscenes that will take your breath away. A **new type of gaming interaction** brings new experience of playing and all this against the background of a completely new background music. Datadisc is equipped with a completely **new soundtrack.**

NEW OR IMPROVED CONTENT IN GENERAL

Datadisc also brings many new components that appear in the original version. In addition to traditionally professional console-quality graphics and advanced lighting effects you can enjoy **new features**, such as camera shake due to explosions, bullet trails.

All original SHADOWGUN lovers will surely be delighted with **new control element - Roll**, which enables the player to do rolls.

EVEN BETTER GAMING EXPERIENCE

With datadisc, SHADOWGUN is now even better. „We just wanted to give some really gorgeous Xmas present to all our fans,” agreed whole Madfinger team. Datadisc brings **tuned difficulty, weapons and enemies.**
